# TRANSPORTATION

We hope that our subsidized transportation service to medical/dental appointments and to the three senior activity centers is providing a valuable service to you. We are making two changes to our program, effective July 1st, 2018.

- We are expanding our subsidy coverage program to include all of the City of San Mateo in the north, and all of the City of Menlo Park, Palo Alto and East Palo Alto in the south,
- In tandem with our geographical expansion, we are creating a ‘zoned’ model for the pricing structure. Those traveling within a zone, or to a *contiguous* zone, will experience no change. For subsidized rides from Zone 1 to Zone 3 (or vice-versa) - which include our expanded coverage area - the one-way customer cost will be \$8.00.

Travel Within:			
One Zone	Neighboring Zones (i.e Zone 1-Zone 2)	Non-Neighboring Zones (i.e Zone 1-Zone 3)	Outside Program Boundaries
\$4.00	\$4.00	\$8.00	Standard Lyft Rates
Zone Coverage Areas			
Zone 1 - East Palo Alto, Palo Alto, Stanford, Portola Valley			
Zone 2 - Menlo Park, Redwood City, Atherton, Woodside			
Zone 3 - San Carlos, Belmont, Foster City, San Mateo
